ATTRACT ATTENTION WITH:

2 art photos

Pascale Meisse Coste and Stephen Wong share the photos which are the product of their professional partnership.

8 product launches

Tomas De Bruyne takes his art photos a step further using them as publicity for a worldwide launch of a new Gloriosa, a line of ceramics and his own impressive talents in Los Vegas.

14 public demonstrations

Joe Massie is a 25 year old florist who is in great demand in the UK as a demonstrator as he shares his take on emerging techniques.

28 competition entries

Florists from in and around Seattle Washington, USA took the opportunity to impress future customers as they entered the competition with the themes based around Hollywood movies.

42 large floral displays

Florists, floral art clubs, floristry colleges, fashion designer students, flower growers and floristry students all came together at the Melbourne International Flower and Garden Show to create large displays, enter competitions and share their talent with the Australian public.
